Diagram of a 1997 Cadillac deville vacuum hoses on engine ...

Cadillac was the first automobile maker in the world to mass-produce V8 engines. [citation needed] The company has produced many generations and variations of V8s since 1914.In 2010, when the Northstar engine series ended production, it became the last General Motors division to retain its own proprietary V8 design. This changed when Cadillac created the twin-turbo 'Blackwing' engine in 2019.

Cadillac V8 engine - Wikipedia
