Addison-Wesley Algebra and Trigonometry.
Making Practice Fun

Making Practice Fun is a series of black line masters for teachers to copy and use in the classroom. The masters allow algebra drill for students. As answers are in puzzle form, they are readily visible by the students only if their answers are correct.

intense complexity of modern software development. Recognizes that today's organizations are living, networked systems; that you can't simply let them run themselves; and that management is primarily about people and relationships. Deepens your understanding of how organizations and Agile teams work, and gives you tools to solve your own problems. Identifies the most valuable elements of Agile management, and helps you improve each of them.
