But what makes a particular bar special, better than the one just down the street? The answers vary considerably as writers share personal stories of drinking establishments both local and exotic. Come Here Often is an intoxicating world tour from Antarctica to New York City, Kiribati to Minnesota, to the places that have inspired—and distracted— some of our favorite contemporary writers over many years and many more drinks. Funny, smart, and poignant, this anthology is a rare opportunity to do some serious armchair drinking with Andrew W.K., Rosie Schaap, Jack Hitt, Jim Shepard, Alissa Nutting, Duff McKagan, Laura Lippman, Craig Finn, Elissa Schappell, and many more.

From bestselling writer David Graeber—"a master of opening up thought and stimulating debate" (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled "On the Phenomenon of Bullshit Jobs." It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society's most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals

shared by thinkers ranging from Keynes to Lincoln. “Clever and charismatic” (The New Yorker), *Bullshit Jobs* gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and “a thought-provoking examination of our working lives” (Financial Times).
