The book you hold holds power. It is a potent story of a woman's healing journey. It is a roadmap for healers in training. It is a guiding, loving light for those lost and solid grounding for those found. I speak from my own whole person experience reading this book, having walked with the author, guided to explore, heal, and thus awaken my past and present mind, body, and soul. This book is a process which serves to dissolve barriers, support integration, enhance awareness of personal purpose, and inspire aligned action. I am healed. I am whole. These statements exalt, and ground a power inherent in our words – our natural ability to heal self and other, within and without, through faithful proclamation of our intention. In these pages you will be encouraged to expand your relationship with the healing power of your intention. This gift is yours to learn, master, and share.
