The hauntingly prophetic classic novel set in a not-too-distant future where books are burned by a special task force of firemen. 'Another indispensable classic' The Times "Ray Bradbury's gift for storytelling reshaped our culture and expanded our world' Barack Obama Guy Montag is a fireman. His job is to burn books, which are forbidden, being the source of all discord and unhappiness. Even so, Montag is unhappy; there is discord in his marriage. Are books hidden in his house? The Mechanical Hound of the Fire Department, armed with a lethal hypodermic, escorted by helicopters, is ready to track down those dissidents who defy society to preserve and read books. The classic dystopian novel of a post-literate future, Fahrenheit 451 stands alongside Orwell's 1984 and Huxley's Brave New World as a prophetic account of Western civilization's enslavement by the media, drugs and conformity. Bradbury's powerful and poetic prose combines with uncanny insight into the potential of technology to create a novel which, decades on from first publication, still has the power to dazzle and shock.

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

Get your "A" in gear! They're today's most popular study guides-with everything you need to succeed in school. Written by Harvard students for students, since its inception SparkNotes" has developed a loyal community of dedicated users and become a major education brand. Consumer demand has been so strong that the guides have expanded to over 150 titles. SparkNotes'" motto is Smarter, Better, Faster because: · They feature the most current ideas and themes, written by experts. · They're easier to understand, because the same people who use them have also written them. · The clear writing style and edited content enables students to read through the material quickly, saving valuable time. And with everything covered--context; plot overview; character lists; themes, motifs, and symbols; summary and analysis, key facts; study questions and essay topics; and reviews and resources--you don't have to go anywhere else!

Ray Bradbury's novel Fahrenheit 451 is an enduring masterwork of twentieth-century American literature"a chilling vision of a dystopian future built on the foundations of ignorance, censorship, and brutal repression. The origins and evolution of Bradbury's darkly magnificent tale are explored in A Pleasure to Burn, a collection of sixteen selected shorter works that prefigure the grand master's landmark novel. Classic, thematically interrelated stories alongside many crucial lesser-known ones"including, at the collection's heart, the novellas "Long After Midnight" and "The Fireman"A Pleasure to Burn is an indispensable companion to the most powerful work of America's preeminent storyteller, a wondrous confirmation of the inimitable Bradbury's brilliance, magic . . . and fire.

"Terrifying... Eloquent... A heart-rending drama of human yearning." --New York Times In April 1992 a young man from a well-to-do family

hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

*Siddhartha* is an allegorical novel by Hermann Hesse which deals with the spiritual journey of an Indian boy called Siddhartha during the time of the Buddha. The book was written in German, in a simple, yet powerful and lyrical style. It was first published in 1922, after Hesse had spent some time in India in the 1910s. The story revolves around a young man who leaves his home and family on a quest for the Truth. Embarking on a journey that takes him from the austerities of renunciation to the profligacy of wealth. That leads him through the range of human experiences from hunger and want, to passion, pleasure, pain, greed, yearning, boredom, love, despair and hope. A journey that leads finally to the river, where he gains peace and eventually wisdom. This is the story of Siddhartha as told by Nobel Laureate Hermann Hesse in his most influential work.

The classic study of human nature which depicts the degeneration of a group of schoolboys marooned on a desert island.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Faced with an increasingly diverse student population, an expanding field of gender scholarship, and an academic emphasis on multidisciplinary, social science professors often struggle to address and integrate such a broad array of gender issues in their courses. This book addresses that challenge by increasing students' understandings of gender relations in multiple social fields across time and space. *Gender Relations in Global Perspective* is truly multidisciplinary. It is partially drawn from the work of sociologists, but articles written by gender scholars from the disciplines of cultural studies, history, political science, geography, and literary theory are also included. The readings examine historically persistent, cross-culturally relevant, and empirically grounded concerns such as men's position in the family and women's relationship to work, media, and the global economy, as well as the gendered problems of violence, sexuality and reproduction, and racism. This book presents an engaging range of comparative and cross-cultural gender analyses from various world regions, including the Middle East, South Asia, South East Asia, Europe, the Americas, and Africa. As the articles are dialogically situated in this text, readers will be able to analyse gender similarities and differences around the globe and learn about the diversity of gender experiences across cultures and regions. This range of analyses demonstrates how a global perspective enriches feminist analyses. Students will quickly learn that to investigate gender dynamics adequately, attention must be paid simultaneously to the processes of racialization, class, colonialism and imperialism, and sexuality that interweave with gender to produce complex forms of oppression.

*The Great Gatsby* (1925) is a novel by F. Scott Fitzgerald. Published at the height of Fitzgerald's career as a leading writer of American fiction, *The Great Gatsby* was reviewed poorly by contemporary critics, but has since been recognized as a groundbreaking work for its vision of American decadence and decay. Adapted into several influential films and adored by generations of readers and writers, *The Great Gatsby* is not only Fitzgerald's crowning achievement, but one of the finest novels ever written. Nick Carraway is a young veteran and Yale graduate who moves to New York in search of work. He rents a bungalow on Long Island next door to the extravagant mansion of Jay Gatsby, a magnanimous millionaire with a mysterious past. There, he reconnects with his distant cousin Daisy and her husband Tom Buchanan, a flagrant philanderer who brings Nick to the city in order to spend time with Myrtle, his impoverished mistress. Soon, he receives an invitation to a party at the Gatsby mansion, where he gets terribly drunk and meets his neighbor, who swears they served together in the Great War. As time goes by, the two begin a tenuous friendship bolstered by stories of the war and a mutual fondness for alcohol. When Nick discovers that Gatsby and Daisy have a complicated history with one another, he starts to question not only the nature of his neighbor's kindness, but his own desire to make it big in New York. *The Great Gatsby* is a tragic tale of ambition and romance set in the Roaring Twenties, a decade born from war and lost to economic disaster. With a beautifully designed cover and professionally typeset manuscript, this new edition of F. Scott Fitzgerald's *The Great Gatsby* is a classic work of American literature reimagined for modern readers.
