Full-length practice tests covering all CISSP domains for the ultimate in exam prep The CISSP Official (ISC)2 Practice Tests is a major resource for CISSP candidates, providing 1300 unique practice questions. The first part of the book provides 100 questions per domain so you can practice on any domains you know you need to brush up on. After that, you get two unique 250-question practice exams to help you master the material and practice simulated exam taking well in advance of the exam. The two practice exams cover all exam domains, and are included in identical proportion to the exam itself to help you gauge the relative importance of each topic covered. As the only official practice tests endorsed by the (ISC)2, this book gives you the advantage of full and complete preparation: coverage includes Security and Risk Management; Asset Security; Security Engineering; Communication and Network Security; Identity and Access Management; Security Assessment and Testing; Security Operations; and Software Development Security. These practice tests align with the 2015 version of the exam to ensure up-to-date preparation, and are designed to simulate what you'll see on exam day. The CISSP credential signifies a body of knowledge and a set of guaranteed skills that put you in demand in the marketplace. This book is your ticket to achieving this prestigious certification, by helping you test what you know against what you need to know. Align your preparation with the 2015 CISSP Body of Knowledge Test your knowledge of all exam domains Identify areas in need of further study Gauge your progress throughout your exam preparation The Certified Information Systems Security Professional exam is refreshed every few years to ensure that candidates are up-to-date on the latest security topics and trends. Currently-aligned preparation resources are critical, and periodic practice tests are one of the best ways to truly measure your level of understanding. The CISSP Official (ISC)2 Practice Tests is your secret weapon for success, and the ideal preparation tool for the savvy CISSP candidate.

"This book is a veritable powerhouse that shatters, in one instant, the wall of lies and deceit that took decades to build upon our impressionable minds. Stamper's ability to explain complex legal and political information in a comprehensive yet concise manner is without equal. Like a master sculptor he has chipped away the 'Words of Art and Deception' to reveal the inescapable and undeniable Truth. This book has single-handedly bared the cleverly crafted schemes of a Power-lusting Elite." - Paul Nash, DC, MD, CCN, ACU, Holistic Medicine, Minneapolis "If only a portion of what this researcher has discovered is verifiable, we as a nation of free people must hang our heads in shame. The future generations will not forgive us or forget the terrible injustice we have let befall them." - Fred Diaulas, Professor of Ethics, University of North Florida "In 1954 I began my legal practice as an assistant district attorney in the city of Miami. We switched from common law pleading to statutory pleading and no one asked why. Now I know the answer, and it depresses me to no end." - Ralph G. Mitchell, JD, Attorney at Law, St. Augustine, Florida.

The Employee Assistance Program Coordinator Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: interviewing; assessment and referral of troubled employees; preparing written material; characteristics and problems of alcohol and substance abuse clients; individual and group counseling; and other related areas.
