This powerful Newbery-winning classic tells the story of the great coon dog Sounder and his family. An African American boy and his family rarely have enough to eat. Each night, the boy's father takes their dog, Sounder, out to look for food. The man grows more desperate by the day. When food suddenly appears on the table one morning, it seems like a blessing. But the sheriff and his deputies are not far behind. The ever-loyal Sounder remains determined to help the family he loves as hard times bear down. This classic novel shows the courage, love, and faith that bind a family together despite the racism and inhumanity they face in the nineteenth-century deep South. Readers who enjoy timeless dog stories such as Old Yeller and Where the Red Fern Grows will find much to love in Sounder, even as they read through tears at times.

One of the best-selling young adult books of all time, written by Pulitzer Prize-winning author Paul Zindel. John Conlan is nicknamed “The Bathroom Bomber” after setting off firecrackers in the boys’ bathroom 23 times without ever getting caught. John and his best friend, Lorraine, can never please their parents, and school is a chore. To pass the time, they play pranks on unsuspecting people and it’s during one of these pranks that they meet the “Pigman.” In spite of themselves, John and Lorraine soon get caught up in Mr. Pignati’s zest for life. In fact, they become so involved that they begin to destroy the only corner of the world that has ever mattered to them. Can they stop before it’s too late?

A beloved classic that captures the powerful bond between man and man’s best friend. Billy has long dreamt of owning not one, but two, dogs. So when he’s finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he’s ecstatic. It doesn’t matter that times are tough; together they’ll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan’s brawn, Little Ann’s brains, and Billy’s sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair, and that the seeds of the future can come from the scars of the past. Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America’s best-loved novels by PBS’s The Great American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother’s infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.
