We learn in childhood to hide from pain, and often continue hiding our hurt from God and others in adulthood. Here Townsend presents a scriptural approach to help us identify these unhealthy withdrawal patterns and find healing, freedom and security in connected, grace-filled relationships. Includes discussion guide.

When you experience emotional injury, fear, shame, or pride your first impulse is to hide the hurting parts of yourself from God, others, even yourself. Often you've learned these hiding patterns during childhood to protect yourself in a threatening environment. The problem is that when you hide your injuries and frailties, you isolate yourself from the very things you need in order to heal and mature. What served as protection for a child becomes a prison to an adult. In Hiding from Love, Dr. John Townsend helps you to explore thoroughly the hiding patterns you've developed and guides you toward the healing grace and truth that God has built into safe, connected relationships with himself and others. You'll discover: The difference between "good" and "bad" hiding, Why you hide the

Taylor Armstrong, star of *The Real Housewives of Beverly Hills* on Bravo, pulls back the curtain on the years she suffered in silence through domestic violence in this searingly honest account of her troubled marriage to the late Russell Armstrong. The terrible truth is that I felt lost without the control that Russell had imposed on me for the nearly six years that we were married. Disturbingly, I missed that control. I didn't know what to do once I had no one there to tell me how to dress, act, and behave; what to want; and who, even, to be. In some ways, I missed the abuse. I missed the pain. I missed being scared. Not because I liked feeling any of that. But because it was the life I had become accustomed to, and without anyone to be afraid of, to apologize to, and to cover for, I felt completely lost. Reality hit Taylor Armstrong hard one tragic evening last August when she found the body of her estranged husband, Russell, hanging in his California home. Fans across the country were shocked at the horrific news of his death and even more shocked to discover that behind the glittering "reality" of Taylor's life on *The Real Housewives of Beverly Hills* lurked a painful story of emotional and physical abuse that she had been terrified to tell. To the outside world, the Armstrongs lived like royalty, throwing lavish parties—including a memorable tea party for their daughter's fourth birthday—and mingling with their privileged *Housewives* co-stars. It was impossible to hide the cracks in their marriage from the cameras forever, though, and their darkest secrets slowly began to seep through the gilded façade. With searing honesty, Taylor candidly examines her difficult journey from the abusive home in which she was born to the low self-esteem that kept her constantly

"The story of Rifqa's remarkable spiritual journey from Islam to Christianity ... is also the untold story of how she ran from her father's threats to find refuge with strangers in Florida, only to face a controversial court case that reached national headlines. The Harrison lodge is full of hiding places where young Kate can discover all the secrets no one wants her to know. Eleven-year-old Kate keeps her knowledge to herself—one sister's stash of marijuana, the other's petty cash pilfering, her grandfather's contraband candy bars. She protects her mother and Gran, too, screening out critical comments from the hotel suggestions box. But suddenly the stakes are raised; her grandfather's best friend is murdered the day after Kate heard the two men arguing. At the same time, far from the quiet mountain resort, a homeless man sees a robbery gone wrong . . . a gang member seeks revenge for the death of his son . . . and a boy chooses the worst time to wield spray paint on a store window. In a strange and spiraling sequence of events, their disparate worlds collide at Harrison Lodge. Kate offers shelter to one of them, unaware of the terrible consequences to the family she loves. But people can hide in all kinds of ways,
