New York Times bestselling author Lorelei James kicks-off her *Want You Series* with a Lund family cousin hot enough to melt the ice and mend a broken heart. Former NHL star Jaxson Lund has returned to the Twin Cities, but he's at loose ends, unsure if he belongs at Lund Industries, or where he stands with Lucy, his ex-girlfriend and mother of his daughter, Mimi. Despite the signs she'd like to leave him in the penalty box, the attraction burning between them reinforces his determination to prove that he deserves a second chance... Lucy Quade is in a good place with a steady job, a nice apartment, and a well-adjusted daughter, which is why she's hesitant when Jax insists on co-parenting. It's not that Lucy doesn't trust Jax...she's just unconvinced he can handle multiple responsibilities when he's been singularly focused on playing hockey. But when issues arise with Mimi, Lucy's shocked at how levelheaded and paternal he acts, giving her a glimpse of the Jax she used to know, the sexy, sweet man she fell for years ago. Once Lucy lets her guard down, Jax goes all in to show her how good they are together, but will their past remain too large an obstacle to ever overcome?

I Want You Back is an epic story of a woman who was seduced out of her husband's loving arms by modernization as materialism and acquisitiveness became her bedfellows. She was raised up in a man's world and unwittingly built walls of independence and self-sufficiency about her. She discovers through different bouts of emotional storms, when the scales fall out, that she had been wrong all along. It co-opts classic oratories of passion to crystallize the moral of the story. The husband has paid the price and given her the liberty to come to her senses. Will she realize, in due season, that his love is all that she wants and needs? Will she realize and believe that in spite of all her errors, he wants her back?
