Better than fireworks, this classic Beginner Book edited by Dr. Seuss celebrates all the wonderful things that come with summer! From trips to the beach and eating watermelon to fireworks and fishing, Alice Low and Roy McKie's Summer will have young readers eager for the kind of fun only warm breezes and sunny weather can bring. This compelling novel follows four women as they learn to balance children, estranged husbands, boyfriends, and problems at work through their faith in God. Michelle, Tonya, Mrs. Judson, and Miz Ida. African-American, white, rich, poor -- they seemingly have nothing in common. Yet every day they face the complex realities of twenty-first-century urban life as they try to balance their needs with their belief in God. Through the course of a year, these women must come to terms with the past, discover their true identities, and recognize the unexpected miracles that reveal God's all-encompassing love. These four women entertain us and invite us to join in their lives. As they welcome us, they also introduce us to the men in their lives. The men play supporting roles, adding color and zest to the lives of the Cover Girls. Bishop Jakes knows the struggles real women encounter and the losses that make it difficult to face the future. He brings compassionate insight and deep wisdom to this novel and proves that he is not only a gifted preacher, but a born storyteller.

An essential masterwork from Chinese literary giant Lu Yao--winner of the Mao Dun Literature Prize--available for the first time in English. Lu Yao published only two novels before his untimely death--but their extraordinary influence catapulted the author to the top tier of Chinese contemporary fiction, establishing him as one of the most widely read and respected figures in Chinese literature. In this first-ever translation of Lu Yao's *Life*, we meet Gao Jialin, a stubborn, idealistic, and ambitious young man from a small country village whose life is upended when corrupt local politics cost him his beloved job as a schoolteacher, prompting him to reject rural life and try to make it in the big city. Against the vivid, gritty backdrop of 1980s China, Lu Yao traces the proud and passionate Gao Jialin's difficult path to professional, romantic, and personal fulfillment--or at least hard-won acceptance. With the emotional acuity and narrative mastery that secured his reputation as one of China's great novelists, Lu Yao paints a vivid, emotional, and unsparing portrait of contemporary Chinese life, seen through the eyes of a working-class man who refuses to be broken.
