Los Angeles County Fire Department - Stations

The Los Angeles County Fire Department (LACoFD), also known as L.A. County Fire, provides firefighting and emergency medical services for contracted cities and unincorporated areas in Los Angeles County, California. For the city of Los Angeles, see [Los Angeles Fire Department](#) . At present, the L.A. County Fire Department is the 4th busiest department in the United States, behind the FDNY, Chicago Fire Department, and Los Angeles Fire Department.

Rugged terrain, rugged times, & rugged men, typify the organization & development of what is known today as the Los Angeles County Fire Department. Diversity of personalities, problems & circumstances even today permeate the organization & the 2,200 square miles under its protection. Literally from a seedling to a sophisticated organization of 2,800 employees from gunnysacks to helicopters for wildland fire suppression from ranch shacks to high rise buildings; from farmlands to commercial complexes, the Los Angeles County Fire Department represents perhaps the most complex & diversified fire service organization in the world. *RIDE THE DEVIL WIND* tells that story, with a generous supply of photographs, journal entries, & excerpts from official reports providing primary accounts of major area incidents, & their impact upon the fire service.

Thousands of men, women, and children owe their lives to the Los Angeles County Lifeguards. Made famous by the television show *Baywatch*, these lifeguards patrol 72 miles of coastline extending from Zuma Beach to the Los Angeles Harbor. Working on some of the world's most scenic and active beaches, Los Angeles County lifeguards protect the safety and lives of more than 50 million visitors each year. For nearly a century they have braved hazardous weather and surf conditions to rescue drowning swimmers, sinking vessels, and downed aircraft in the ocean. As the Lifeguard Operations Unit of the Los Angeles County Fire Department, they make more than 10,000 ocean rescues a year.
