Simple text and illustrations explain how to behave during mealtime.

Mealtime—“Yummy-in-the-tummy time”—is an opportunity to teach young children two major life skills: nutrition and table manners. Simple but important mealtime routines come to life as the toddlers in this book remember to wash their hands, use a napkin and fork or spoon, stay at the table, and eat healthy foods. Toddlers also learn the one big rule for mealtime: Always try one bite (“You just might like it!”). Parents and caregivers want toddlers to develop healthy eating habits and positive mealtime routines. This book helps them do so with Verdick’s keen ability to speak directly to little ones and Heinlen’s delightful, appealing illustrations. Includes tips for parents and caregivers. Part of the award-winning Toddler Tools series.

Manners start with a smile—then you add the words. There are polite words to use when you greet someone, ask for something, or (oops!) make a mistake. There’s even a nice way to say no. This book gives toddlers a head start on manners, setting the stage for social skills that will last a lifetime. Includes tips for parents and caregivers.

An award-winning author/illustrator team offers a fresh look at the times and transitions all toddlers face daily, giving young children the tools to handle routines with confidence and cooperation. Toddlers will look forward to clean-up time with this simple rhyming book that encourages them to chant along as they tidy up. Young children learn to work together to put items in their place, make a neater space, keep a smile on their face—and make room for more fun. Delightful illustrations enhance the text. Part of the Toddler Tools series, Clean-Up Time can be shared before (or during) the desired “time,” or whenever toddlers need encouragement with routines. Includes tips for parents and caregivers.

Naps are just a little break—but when it's naptime, many toddlers have trouble settling into sleep. This calming, encouraging book helps young children quiet down so they can get the rest they need. Eyes are closed, lights are dimmed...and (yawn, s-t-r-e-t-c-h) before little ones know it, it's time to wake up. Cozy illustrations enhance the text. An award-winning author/illustrator team offers a fresh look at the times and transitions all toddlers face daily, giving young children the tools to handle routines with confidence and cooperation. Part of the Toddler Tools series, Naptime can be shared before (or during) the desired "time," or whenever toddlers need encouragement with routines. Includes tips for parents and caregivers.

Like every parent, you've probably... •Begged, "Please, just take one more bite" •Wondered if you should "sneak" nutrition into what you make •Worried that your child is picky, and just getting pickier A practical and easy-to-use guide from registered dietitian and pediatric specialist Kate Samela, *Give Peas a Chance* is everything you need to finally manage finicky toddlers at the table. You'll not only ensure that your child is getting good nutrition, but also promote a healthy relationship with food and expand the repertoire of even the pickiest of eaters! "Kate Samela provides an easy-to-understand, scientifically valid approach to feeding picky toddlers."—Jeffrey S. Hymans, MD "Kate Samela shows parents of toddlers that there's no need to press the nutritional panic button."—Lauren Slayton, MS, RD

Melanie Potock, MA, CCC-SLP is a certified speech language pathologist who has specialized for over 12 years in helping children love a variety of food. Her practice focuses on the family and teaching the fundamentals of parenting in the kitchen. Mel wrote this book in the same manner that she works with families; with an open heart and a touch of humor. Raising an adventurous eater is meant to be fun. Enjoy the journey! "This is a much needed book. *Happy Mealtimes* addresses the important and neglected topic of HOW to feed children. It has all the tools you need to help your child explore new tastes and enjoy eating!" - Carolyn Aibel, Ph.D.

With *On-the-Go Time*, shopping and errands really can mean fewer hassles and more fun for everyone! Toddlers learn simple tools and encouragement to keep moving, cope with the changing scenes, and be super helpers in the car, at the store or library, and on the road. What do they do when they're on-the-go? Listen, follow along, and even lend a hand. If they're disappointed or overstimulated along the way, they can take deep breaths to calm down. Who says running errands with toddlers has to be stressful? Includes tips for parents and caregivers. Part of the award-winning Toddler Tools™ series.

Learning to use the potty takes patience and practice, and this charming, straightforward book helps pave the way. Young children learn how to use the potty and why it's time to do so, while gaining the courage and confidence to face this important milestone in their lives. When little ones learn to "do what the big kids do" (go, wipe, flush, wash their hands), they won't need a diaper anymore—they'll have underwear under there! Includes tips for parents and caregivers from a children's health specialist.

Sometimes it's fun to share, and sometimes it's hard. This book offers toddlers simple choices (take turns, use the toy together, wait for another time) to make sharing easier, and shows them where to turn for help when sharing is difficult. Little ones learn that sharing can mean double the fun—and sharing a while can make someone smile! Includes tips for parents and caregivers.
