Buy Mille Miglia Portraits Ediz Italiana E Inglese 1

When one thinks of the Mille Miglia, the most celebrated race in the world that took place between 1927 and 1957, the mind certainly goes back to OM, Bugatti, Mercedes-Benz, Porsche, Lancia as well, of course, as the ultra-victorious Alfa Romeo and Ferrari, the greatest car manufacturers that have competed in the Italian marathon. But the memorable history of the great race is made up mainly of men: drivers, co-drivers, mechanics, technical and sports directors, organisers as well as film and show business personalities plus, naturally, an immense public following. All of those faces have names, some well-known others less so, and stories, some well worth telling others less so. The book brings together a series of portraits in alphabetical order that make up the fragments of this historic sports and cultural mosaic that was the Mille Miglia, once again told by Leonardo Acerbi from his deep knowledge of the Brescia-based race.

Buy Mille Miglia Portraits Ediz Italiana E Inglese 1

Michael Schumacher: the greatest of all time. A champion with a reputation founded on records, the man who has brought most glory to Ferrari in the modern era. With a dramatic coda to the story that we like to think of as a pit stop before a return to the race, to normality. Michael Schumacher enthralled a generation of fans, but not all the episode in his remarkable career are widely known. While it is true that it is in the nooks and crannies of life great novels are born, in this book there is a search for that which in the emphasis on celebration and success has gone unnoticed, painting a picture of a Schumacher full of enthusiasm but with a degree of fragility. The man behind the driver, with his loves, his manias, his passion concealed behind a veil of stubborn reserve that is by no means violated but rather observed from a certain distance, over time, in all its guises and nuances.

The prestigious publication in two volumes, Ferrari 1000 GP: The Official Book, in a limited edition, is an extraordinary tribute to Scuderia Ferrari and the remarkable objective of 1,000 Grands Prix achieved by the team from Maranello in 2020. Over the course of more than 700 pages enriched with more than 1,000 illustrations, many of which are previously unpublished, the work traces the incredible story of Ferrari's participation in Formula 1 that began in 1950 with the Monaco Grand Prix, continued with no less than 230 victories, 15 drivers' titles and 16 constructors' titles and has reached the unique total of 1,000 Grands Prix. Made in collaboration with Ferrari Spa and available in a limited edition of 2,000 copies, the book is contained in an exclusive slipcase in "Rosso Storico 127", the same colour as the 125 S, the first Ferrari from 1947, and the SF1000, which in 2020 competed in the Scuderia's 1,000th Grand Prix on the Mugello circuit. An indispensable volume for the bookshelves of all enthusiasts of the Prancing Horse: a precious collector's item as well as an invaluable source of information regarding the results obtained by the cars from Maranello in every race and the team's placings in the Drivers' and Constructors' championships. The book features a foreword by Louis Camilleri and Mattia Binotto.

The 24th and final edition of the Mille Miglia, held on the 11th and 12th of May 1957, has passed into history above all due to the tragic circumstances of the accident involving de Portago and Nelson’s Ferrari 335S, which crashed in the latter stages of the race near Mantua. It was however, also a race characterised by a bitter struggle amongst the Maranello marque’s drivers, a duel that never happened with Moss and Jenkinson’s Maserati 450S and the last career win for Piero Taruffi. Behind all this, there was also another story, one equally as fascinating and rich in incident, that of the crews racing in the minor classes: from the Tuned Touring and the 750 classes to the Gran Turismo and Sport 750 and 1000 categories. This previously neglected story of "little" cars and almost unknown drivers is recounted by Carlo Dolcini, a painstaking and accurate historian, who has reconstructed in engrossing detail the "minor" episodes of those days, drawing on a wealth of photographic documentation.

Lawrence Venuti, winner of a Guggenheim fellowship and the Global Humanities Translation Prize, among many other awards, has translated into English these Italian Gothic tales of obsessive love, mysterious phobias, and the hellish curse of everlasting life. In this collection of nine eerie stories, Iginio Ugo Tarchetti switches effortlessly between the macabre and the breezily comical. Set in nineteenth-century Italy, his characters court spirits and blend in with the undead: passionate romances filled with jealousy and devotion are fueled by magic elixirs. Time becomes fluid as characters travel between centuries, chasing affairs that never quite prosper. First published by Mercury House in 1992.

Porsche and the Mille Miglia. Two legends, two names from the history of motor racing that came together from 1952 to 1957, the years in which the Stuttgart manufacturer competed in the classic Brescian marathon, first with the 356 A and B models and, in a second phase, with the 550 RS barchette. The most prestigious drivers of their time took to the narrow roads of Sicily in those cars, often winning their class or category: from Hans Herrmann to Giovanni Bracco, Wolfgang von Trips to Umberto Maglioli. This book covers their brief but intense and fascinating story, which has never been told before with such precise text in reconstructing the facts, and which is supported by hundreds of unpublished photographs provided by Porsche themselves, plus rare documents and designs of the period.

Great-Uncle Lancelot, redoubtable explorer and enthusiastic naturalist, takes his niece and twin nephews on an extraordinary journey around the world, introducing them to a wide variety of animals.

The famous novelist Louis de Wohl presents a stimulating historical novel about the great St. Thomas Aquinas, set against the violent background of the Italy of the Crusades. He tells the intriguing story of St. Thomas who—by taking a vow of poverty and joining the Dominicans—defied his illustrious, prominent family's ambition for him to have great power in the Church. The battles and Crusades of the 13th century and the ruthlessness of the excommunicated Emperor Frederick II play a big part in the story, but it is Thomas of Aquino who dominates this book. De Wohl succeeds notably in portraying the exceptional quality of this man, a fusion of mighty intellect and childlike simplicity. A pupil of St. Albert the Great, the humble Thomas—through an intense life of study, writing, prayer, preaching and contemplation—ironically rose to become the influential figure of his age, and he later was proclaimed by the Church as the Angelic Doctor. As in all of his novels about great saints of the church, Louis de Wohl weaves an intricate colorful tapestry of love, violence and piety to bring to life a tremendous historical figure and the fascinating period in which he lived. Louis de Wohl was a distinguished and internationally respected Catholic writer whose books on saints have been best-sellers worldwide. Other available titles include Lay Siege to Heaven, Set All Afire and Citadel of God. Sixteen of his books were made into films.
