The Human Project: What is Man?

Very few people wake up and think "I need philosophy." This is perfectly understandable. But of course, everyone has their own problems and are dealing with the difficulties of life in some way or another. The irony is this is actually what ancient philosophy was intended to ameliorate. "Vain is the word of a philosopher," Epicurus once said, "which does not heal the suffering of man ...

Summary. This is the first comprehensive anthology in the philosophy of social science to appear since the late 1960s. Covering all of the major areas in the discipline, it will serve as the standard source for scholarship in the field and could be used as the basis for an entire course. The anthology offers one complete, convenient, and well-chosen selection of readings, plus three specially commissioned articles that encompass the entire range of topics in the field and cover both sides of ...

the first comprehensive anthology in the philosophy of social science to appear since the late 1960s

This anthology proves that it is the human norm for all people to participate in meaningful and purposeful art, craft, and work because this is part of human nature itself.

With a full introduction and textual commentary, this volume introduces William H. Ferris's *The African Abroad*, a treatise on racial idealism, Black ethnology, and the evolution of Blacks from Negro to Negroaxon, presenting the first evidence of a Black American idealist and evolutionary thinker in philosophy.
