Sophie—now Catherine, Grand Duchess of Russia—had a tough first year at Imperial Court. Married at sixteen to Grand Duke Peter, heir to the throne, and settled in their own palace, things start to look up. As a new day dawns, Catherine thinks only of securing her future, and the future of their country, during one of the greatest political upheavals of her time. Fighting desperately against forces that try to depose the Empress Elizabeth and put the young Prince Ivan on her throne, Catherine soon finds herself in the middle of a war brewing between her beloved Prussia and her new empire. While navigating the fragile political landscape, she quickly realizes that she has only begun to discover the tangled web of deceit and infidelity woven over the lavish court of Oranienbaum Palace. When a strange and delicate alliance forms between the young couple, Catherine glimpses a future of happiness, only to see it vanish at the hands of those who still seek to end her life—and prevent her reign. Out of favor with the empress and running out of options, Catherine must sacrifice her own innocence on the altar of Russia if she is to save the nation and herself. To survive, she will have to do the unthinkable, betray those closest to her and become something greater and more dangerous than she ever imagined she could be... a queen. Queen of Tomorrow is the enticing sequel to Queen of Someday by Sherry D. Ficklin. Find out why USA Today called the Queen of Someday, "a must-read romance!"

demands of the bitter Empress Elizabeth and her handsome, but sadistic nephew, Peter. Determined to save her impoverished family--and herself--Sophie vows to do whatever is necessary to thrive in her new surroundings. But an attempt on her life and an unexpected attraction threatens to derail her plans. Alone in a new and dangerous world, learning who to trust and who to charm may mean the difference between becoming queen and being sent home in shame to marry her lecherous uncle. With traitors and murderers lurking around every corner, her very life hangs in the balance. Betrothed to one man but falling in love with another, Sophie will need to decide how much she's willing to sacrifice in order to become the empress she is destined to be. In a battle for the soul of a nation, will love or destiny reign supreme? Don't miss the series dubbed a "must-read romance" by the USA Today and "An entertaining and racy read" by School Library Journal. One whirlwind week of love, blackmail, and betrayal following three brothers through teeming prewar New York in this "entertaining . . . outsized . . . big, expressive debut" (Wall Street Journal) "A masterfully crafted novel . . . Comic, violent, and moving in equal measure." --John Irving "As rich and raucous as the city it celebrates." --O., The Oprah Magazine "Admirably fearless . . . Mathews has talent in buckets." --New York Times Book Review June 1939. Francis Dempsey and his shell-shocked brother, Michael, are on an ocean liner from Ireland bound for their brother Martin's home in New York City, having stolen a small fortune from the IRA. During the week that follows, the lives of these three brothers collide spectacularly with big-band jazz musicians, a talented but fragile heiress, a Jewish street photographer facing a return to Nazi-occupied Prague, a vengeful mob boss, and the ghosts of their own family's revolutionary past. When Tom Cronin, an erstwhile assassin forced into one last job, tracks the brothers down, their lives begin to fracture. Francis must surrender to blackmail or have his family suffer fatal

Read Book Queen Of Tomorrow A Stolen Empire Novel

consequences. Michael, lost and wandering alone, turns to Lilly Bloch, a heartsick artist, to recover his decimated memory. And Martin and his wife, Rosemary, try to salvage their marriage and, ultimately, the lives of the other Dempseys. Meanwhile, with the Depression receding, all of New York is suffused with an electric feeling of hope, caught up in the fervor of the World's Fair and eager for good times after a decade of deprivation. From the smoky jazz joints of Harlem to the opulent Plaza Hotel, from the garrets of vagabonds and artists in the Bowery to the backroom warrens and shadowy warehouses of mobsters in Hell's Kitchen, Brendan Mathews brings the prewar metropolis to vivid, pulsing life. The sweeping, intricate, and ambitious storytelling throughout this remarkable debut reveals an America that blithely hoped it could avoid another catastrophic war and focus instead on the promise of the World's Fair: a peaceful, prosperous "World of Tomorrow."

Two opposing factions of time travelers vie for control of the future in this thrilling steampunk series opener dubbed "Interesting" and "Unexpected" by Kirkus Reviews. Lex and Ember—two time travelers with no memories of their lives before being recruited into the time war—are torn between the factions. When Lex accepts a mission that lands him deep within the heart of the Telsa Institute, he meets Ember, and the past that was stolen from them comes flooding back. Now armed with the truth of who they were, Lex and Ember must work together to save the future before the battle for time destroys them once again. "Dual narratives keep the pace brisk and the tension high. While readers looking for technological details based on plausible science may be disappointed, there are enough corsets and gadgetry to satisfy even the biggest steampunk fans. Packed with hand-to-hand combat and mind-bending paradoxical conundrums, this quick, suspenseful read has a guaranteed audience." — Booklist Action

Two journeys. One inescapable outcome. No time to lose. What should be a routine mission leaves Ethan with a serious problem. He's fractured—a break between mind and body that leaves him at the mercy of his Rifter abilities, which are quickly tearing him apart. He will have to trust the only person who might know how to fix him, a mysterious Rifter named Stewart Stills, who seems to have a special connection with the time stream. Forced to face his dark past and a decision he may never forgive himself for, he will be trained unlike any of the others, to become a true guardian for time. If he accepts, it will mean leaving everyone he loves behind. If he refuses, time itself could unravel. After a glimpse of the dark future awaiting them all, he will have to choose between destiny and desire. Will he rise up and take his place as a defender of the natural order, or will he watch as all of time burns at the hands of the girl he loves? Welcome to the time war. If her time at court has taught Catherine anything, it's that there is no room for weakness in Imperial Russia. With the Empress' health failing and rumors of a change in the line of succession, her place in the royal line is once more in jeopardy. Tormented by her sadistic husband and his venomous mistress, Catherine must once more walk the fine line between pleasure and politics—between scandal and survival. When her young son becomes the target of those rebelling against Peter's reign, Catherine will have to rise up to protect herself, her child, and her nation from his unstable and potentially catastrophic rule. This means putting herself at odds with the most dangerous man she's ever known, trusting those who once proved to be her enemies, and turning a nation against its sovereign. In the ultimate battle for the crown, new alliances will be forged, loyalties will be tested, and blood will be shed. Don't miss this breathtaking conclusion to the Stolen Empire series!

Fans of *The Last Czars*, a Netflix original series, will love this decadent look at one of the most intriguing monarchs in history... Don't miss the series dubbed a "must-read romance" by USA Today and "An entertaining and racy read" by School Library Journal. Long before Catherine was great, Elizabeth was destined to rule the Romanov empire... The last true Romanov, Elizabeth has once again been denied the throne of Russia. Grieving and isolated, she struggles to protect the few loved ones she has left. But when Empress Anna's health begins to fail, Elizabeth's very existence becomes a threat to Anna's plans to place her chosen heir, the infant Ivan, on the throne. Knowing only one of them will survive, Elizabeth enters into a dangerous alliance with Anna's former lover in the hopes of not only returning the crown to its rightful line, but also rescuing her nearly bankrupt nation from the hands of an enemy king determined to bring the country under his rule. Desperate and willing to sacrifice anything—and anyone—to her gambit, Elizabeth must make her final choice between the destiny that was promised to her and the one man she might truly love. Don't miss the series dubbed a "must-read romance" by USA Today and "an entertaining and racy read" by School Library Journal. *The Hollow Queen* is a scandalous glimpse into the life of one of the most vibrant women in history.

Sixteen-year-old Farris Barnett is a girl with a big heart and a mouth to match. Recently relocated to sunny North Carolina, she's all too pleased to be leaving her old life—and the stigma of her troubled past—behind her. A new school, new friends, and not one but two hot guys vying for her attention, life certainly doesn't suck. But just as things seem to finally be going her way, a series of computer hacks puts her newfound happiness—and the lives of the people she loves—in jeopardy. Farris must put her amateur sleuthing skills to work and uncover the identity of the person behind it all before they graduate from harmless tampering to all out murder, even if it means risking her own life in the process. And unfortunately for Farris, the guy she's falling for just happens to be the prime suspect.
