I don't remember a time I didn't love Crenshaw Bennett. I tried to deny it, but my feelings grew deeper. I thought he could never love me the way I love him. I was wrong-outrageously, deliriously, and beautifully wrong. One innocent kiss changes my life forever. Suddenly, Shaw is mine. Loyal, devoted, and the most loving man on this Earth. Together, we create an explosion of fiery passion, devotion, and chemistry I

never knew was possible. All of my dreams are within reach, but I should have known it was too good to be true. The past always catches up to you, and I'm left staring at my worst nightmare. Faced with the unthinkable, I am forced to choose between the man I love and a past I cannot change. Shaw's fighting like hell to prove we can have it all, but can I find the strength to be the woman he needs?

Raven Hayes experienced a love she thought would last forever. Declan Collins consumed her from the moment she fell into his arms. Their love was what fairytales are made of.

But when his band is given an opportunity of a lifetime, he made the one choice that would tear them apart. Walking away from him and leaving for the summer seemed to be the best idea to mend a broken heart. With the love and support of her best friend, the pain eases, but a decision has to be made. Is Declan her forever? Is she prepared to have a place in his rock star life? Declan's broken when Raven leaves. She tamed him and taught him what all-consuming love is. So many factors tried to pull them apart, but his choice was the one to push her away and possibly into the arms of another man. Losing

planets. It covers engineering aspects specific to such vehicles which are not usually treated in traditional spacecraft engineering texts. Examples are drawn from over thirty different lander and entry probe designs that have been used for lunar and planetary missions since the early 1960s. The authors provide detailed illustrations of many vehicle designs from different international space programs, and give basic information on their missions and payloads, irrespective of the mission's success or failure. Several missions are discussed in more detail to demonstrate the broad range of

of the woman who haunts his dreams.

Life after high school still blows Between a judgmental beauty advice columnist mom who sends clothes several sizes too small, and social media sex-shaming her senior year of high school, Faith Lacerna needs a self-confidence boost. Being a freshman at Fortis University in Silicon Valley will be fine, as long as she doesn't attract attention. Except wearing oversized hoodies in sunny California isn't the best choice for blending in. When football jock Caleb St. John shows interest, she recommits to studying anything but the

hot tight end. Caleb wants to lose himself in football, avoid his unfaithful ex-girlfriend, and – unlike his cheating dad – live his life with integrity. He knows there's more to Faith than baggy clothes. Her humor and audacity spark more than Caleb's competitive nature. Faith doesn't want to be interested, but Caleb's kindness and sense of adventure has her hooked. She soon realizes she needs to confront her hurts and fears if she wants to embrace a relationship with Caleb and not let the past intercept her future.
