FOREWORD BY GUY KAWASAKI Presentation designer and internationally acclaimed communications expert Garr Reynolds, creator of the most popular Web site on presentation design and delivery on the Net ¶ presentationzen.com ¶ shares his experience in a provocative mix of illumination, inspiration, education, and guidance that will change the way you think about making presentations with PowerPoint or Keynote.

Presentation Zen challenges the conventional wisdom of making "slide presentations" in today's world and encourages you to think differently and more creatively about the preparation, design, and delivery of your presentations. Garr shares lessons and perspectives that draw upon practical advice from the fields of communication and business. Combining solid principles of design with the tenets of Zen simplicity, this book will help you along the path to simpler, more effective presentations.

Are you daunted by the prospect of doing a presentation or just keen to improve your presentation skills? Visit the SAGE Study Skills website for tips, quizzes and videos on study success!

Passport to Academic Presentations Oral presentations have become an increasingly important feature of Higher Education; developing abilities in this area can be crucial for students' academic success. Passport to Academic Presentations aims to demystify the entire oral presentation process by examining each of the different stages in turn. No prior knowledge is assumed, and students are gradually introduced to a set of core

language and skills, allowing them to tackle oral presentations in an academic context with increased confidence and fluency. A key feature of the course is its focus on transferability; students are encouraged to apply the material to their own specific subject areas throughout. Each unit also contains advice on pronunciation and tips for improving oral presentation delivery. The course comes with a CD, and a DVD showing the same presentations can be purchased separately. Key Features Audio CDs for further self-study and listening practice Tips for successful presentations Step-by-step coverage of the oral presentation process Focus on key language and pronunciation areas DVD includes extended learning through filmed presentations

Presentation skills that that will captivate your audience every time In today's increasingly visual world, the art of giving presentations is a much-needed talent. They Snooze, You Lose, provides a comprehensive guide made especially for teachers and administrators who want to become presentation "stars" in their classrooms, at board meetings, or any time they are in front of an audience Describes how to apply the author's proven CHIMES2 elements: Connections, Humor, Images, Music, Emotion, Stories, and Senses Contains a bonus DVD with premade slides, a study guide, and reproducible images Burmark is the author of the best-selling book Visual Literacy: Learn to See, See to Learn Includes key sections on the best ways to integrate technology into your presentations New and seasoned educators alike will benefit from this fun and easy-to-read guide on building essential presentation skills.

The Academic Encounters Second edition series uses a sustained content approach to teach skills necessary for taking academic courses in English. There are two books for each content area. Academic Encounters Level 3 Student's Book Listening and Speaking with DVD Life in Society engages students through interviews and academic lectures on stimulating topics from the field of sociology. Topics include culture shock, gender roles, and ways of solving crime. Students develop crucial listening and note-taking skills, discuss content, conduct interviews, and make presentations. A Student DVD includes all of the academic lectures. Topics correspond with those in Academic Encounters Level 3 Student's Book Reading and Writing Life in Society. The books may be used independently or together.

The thought of giving a presentation often ranks at the top of the list of what people fear the most. ""10 Steps to Successful Presentations"" provides readers with a proven 10-step process for developing and delivering an effective presentation based on real-world experience as well as observations of presentations that either wowed the audience or fell short of motivating participants.

An innovative, new multi-level course for the university and in-company sector. Business Advantage is the course for tomorrow's business leaders. Based on a unique syllabus that combines current business theory, business in practice and business skills - all presented using authentic, expert input - the course contains specific business-related outcomes that make the material highly relevant and engaging. The Business Advantage Upper-intermediate level books include input from the following leading institutions and organisations: the Cambridge Judge Business School, the Boston Consulting Group, Nokia, Dell, and Havaianas - to name but a few. The Student's Book comes with a free DVD of video case studies.
