Kaden Cross had it all: money, fame, and women, but he lost it all in one night. One night that would forever change him. Life dealt him a dead man's hand. Lucky had always led a life of service. Always put his life on the line for someone else, managing to survive by pure luck and skill. After bringing an end to a multi-state drug ring, he was finally able to live the life he had wanted as a Last Rider... A good man would walk away and not touch the curvy woman who had been tugging on his heartstrings. Lucky wasn't a good man. Therefore, the bad-ass biker in him had a choice: once again become the man he had pretended to be and stake his claim, or take the devil's highway. Some girls had all the luck. Willa wasn't one of them. All she wanted to do was give a home to the children she had made orphans. Instead, she found herself needing help from the man who had left the pulpit behind to embrace a life of sin. Painfully shy and withdrawn she wanted a quiet life, a simple man, and well-behaved children. The last thing she had ever expected was for Lucky to want her size twenty body and show her a passion that would lead her straight to hell. *WARNING* This work of fiction is intended for mature audiences only. One night, and two lost souls with tainted lives, find a love strong enough to reveal a secret that just might kill them all ... Kaden Cross had it all: money, fame, and women ... Forced from obscurity and into the limelight as the lead singer of the band Mouth2Mouth, the last thing he wanted was to find a sexy drugged out redhead waiting for him in his bed. Finding out that she's the victim of a sex slave ring puts the band in peril, because the only way to save the woman he's started to love means denying her the one thing she wants the most ... Sawyer has had one dream her whole life, to escape the smothering love of her mother and a life of poverty. Now, kidnapped and drugged, she is given to a man she knows nothing about except that he holds her life in his hands.

If it's not broke don't fix it. That was Cash's motto and his life was perfect. He was a lieutenant of The Last Riders, a motorcycle gang, and had women at his beck and call. The only thing he could see himself settling down with was a twelve pack - certainly not Rachel Porter who was on his short list of women to avoid.

Vida will do anything to save her friends's life, even if it includes stripping on stage and doing lap dances in the Vip room under her stage name Trouble.

When King visits Kentucky for a few weeks to get to know his daughter, Lily, he learns that she is married to a killer and lives in a sex club. He is determined to destroy those resposible and see that Lily gets the future he thinks she deserves.

She needed a hero; instead, she got Cade. Cade was no hero. He was a nomad, a wanderer with no ties and he liked it that way. Hired out to save Fat Louise and her spoiled sister from a cartel run Mexican city was a risk he was willing to take, for the right price. With a certain gray eyed woman on his mind, he set's out to find her, fuck her and forget her. No harm, no foul. But it's all easier said than done when it comes to this plain jane. He expected a biker bitch who knew the rules; instead, he got Fat Louise. Fat Louise wasn't about to put her crew in danger. She had to learn to handle problems on her own, even if they included a six-foot biker she was forced to rely on, if she was going to rescue her sister. She never expected to see Cade again after she'd left Mexico, but all it takes is one night with him to prove that even a bitch's heart can be broken.
