~~Genesis of Shannara Series by Terry Brooks~~

The Elves of Cintra is a great continuation of the Word & Void trilogy and as part 2 of Armageddons Children (like stated above, too many trilogies!). This latest over-trilogy is starting to evidence connections to the Voyage of Jerle Shannara and the entire Shannara series to make a complete saga spanning millenia.

~~Genesis of Shannara Ser.: The Elves of Cintra by Terry ...~~

THE ELVES OF CINTRA remains a gloomy and gritty piece of a post-apocalyptic pie that is full of outstanding epic ingredients and characters. There are the most villainous of the vile and the most heroic, and there are those who are lost along the way.

The "New York Times"-bestselling sequel to "Armageddon's Children" in the thrilling Genesis of Shannara trilogy reveals the origins of the Shannara world. ORiveting . . . a thrilling adventure.O--"Booklist."

With his groundbreaking New York Times bestseller The Sword of Shannara and its acclaimed sequels, Terry Brooks brought a new audience to epic fantasy. Now that story of clashing forces of darkness and light, of Shannara's beginnings and the human race's possible end,

marches forward into an unforgettable second volume full of mystery, magic, and momentous events. Across the ruined landscape that is America—hopelessly poisoned, plague-ridden, burned, and besieged by demon armies bent on exterminating all mortal life—two pilgrims have been summoned to serve the embattled cause of good. Logan Tom has journeyed to desolate Seattle to protect a ragged band of street urchins and the being known as “the gypsy morph,” who is both mortal and magical, and destined to save mankind unless he is destroyed. Likewise, Angel Perez has her own quest, one that will take her from the wreckage of Los Angeles to a distant, secret place untouched by the horrors of the nationwide blight—a place where the race of Elves has dwelled since before man existed. But close behind these lone Knights of the Word swarm the ravaging forces of the Void. As the menacing thunder of war drums heralds the arrival of the demons and their brutal minions in Seattle, the young survivors who call themselves the Ghosts are forced to brave the dangerous world of gangs, mutants, and worse to escape the invasion. And Logan Tom must infiltrate a refugee compound to rescue Hawk, the leader of the street urchins, who has yet to learn the truth about who and what he is. Meanwhile, Angel Perez has joined an equally urgent mission: to find the Ellcrys, a fabled talisman crucial to protecting the Elven realm against an influx of unspeakable evil from the dread dimension known as the Forbidding. But Angel and her Elf allies must beware—for a demon spy, with a monstrous creature at its command, walks among them. As the legions of darkness draw the noose tighter, and the time of confrontation draws near, those chosen to defend the soul of the world must draw their battle lines and prepare to fight with, and for, their lives. If they fail, humanity falls. **BONUS:** This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*.

*****50 MILLION TERRY BROOKS COPIES SOLD AROUND THE WORLD*** THE SHANNARA CHRONICLES IS NOW A MAJOR TV SERIES 'Terry's place is at the head of the fantasy world' Philip Pullman Fifty years from now, our world looks very different. Governments have fallen. Thousands live in fortified strongholds; others roam the landscape as either predator or prey. Standing against the forces that have tipped the balance from good to evil are a very few heroes, men and women imbued with powerful magic and sworn to a high destiny. Logan Tom is one of those heroes. He's on a desperate quest to deliver the street kids he rescued in Seattle to safety. So, too, is Angel Perez, who is leading a second group in the Oregon wilderness where she encounters the long-hidden Elves of Cintra. And Hawk - just learning his magic - has an encounter with the mystical King of the Silver River, who promises safety for both humans and elves - if only they can reach him. . . Praise for Terry Brooks: 'A master of the craft . . . required reading' Brent Weeks 'I can't even begin to count how many of Terry Brooks's books I've read (and re-read) over the years' Patrick Rothfuss, author of *The Name of the Wind* 'I would not be writing epic fantasy today if not for Shannara' Peter V. Brett, author of *The Painted Man* 'If you haven't read Terry Brooks, you haven't read fantasy' Christopher Paolini, author of *Eragon* **THE GENESIS OF SHANNARA TRILOGY: ARMAGEDDON'S CHILDREN THE ELVES OF CINTRA THE GYPSY MORPH****

BONUS: This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*. Terry Brooks won instant acclaim with his phenomenal New York Times bestseller *The Sword of Shannara*. Its sequels earned Brooks legendary status. Then his darkly enthralling *The Word and the Void* trilogy revealed new depths and vistas to his mastery of epic fantasy. *Armageddon's Children* and *The Elves of Cintra* took Brooks's remarkable mythos to a breathtaking new level by delving deep into the history of Shannara. And now, *The Gypsy Morph* rounds out—with an adventure of unforgettably imaginative scope—the first phase of a new chapter in this classic series. Eighty years into the future, the United States is a no-man's-land: its landscape blighted by chemical warfare, pollution, and plague; its government

collapsed; its citizens adrift, desperate, fighting to stay alive. In fortified compounds, survivors hold the line against wandering predators, rogue militias, and hideous mutations spawned from the toxic environment, while against them all stands an enemy neither mortal nor merciful: demons and their minions bent on slaughtering and subjugating the last of humankind. But from around the country, allies of good unite to challenge the rampaging evil. Logan Tom, wielding the magic staff of a Knight of the Word, has a promise to keep—protecting the world's only hope of salvation—and a score to settle with the demon that massacred his family. Angel Perez, Logan's fellow Knight, has risked her life to aid the elvish race, whose peaceful, hidden realm is marked for extermination by the forces of the Void. Kirisin Belloruus, a young elf entrusted with an ancient magic, must deliver his entire civilization from a monstrous army. And Hawk, the rootless boy who is nothing less than destiny's instrument, must lead the last of humanity to a latter-day promised land before the final darkness falls. The Gypsy Morph is an epic saga of a world in flux as the mortal realm yields to a magical one; as the champions of the Word and the Void clash for the last time to decide what will be and what must cease; and as, from the remnants of a doomed age, something altogether extraordinary rises.

NEW YORK TIMES BESTSELLER • “In this exciting first of a new fantasy trilogy, bestseller Brooks effortlessly connects the Tolkien-infused magic of his Shannara books . . . with the urban, postapocalyptic world of his Word and the Void series. . . . Longtime Brooks fans and newcomers will be riveted.”—Publishers Weekly (starred review) In our world's near future, civilization has fallen into terrifying chaos. Navigating the scarred landscape that once was America and guided by a powerful talisman, Logan Tom has sworn an oath to seek out a remarkable being born of magic and destined to lead the final fight against darkness. In time, Logan's path will cross with others: Angel Perez, herself a survivor of death-dealing forces, and a makeshift family of refugees forced to survive among street gangs, mutants, and marauders. Common purpose will draw Logan and his allies together. Their courage and convictions will be tested and their fates will be decided, as their singular crusade begins: to take back, or lose forever, the only world they have. BONUS: This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*. “Dynamic . . . compelling . . . mesmerizing . . . [with] a cliff-hanger that leaves readers salivating for the sequel.”—Booklist (starred review) “Strongly recommended . . . a transformative work.”—SFRevu

“Superior to anything being written in the genre . . . Terry Brooks is one of a handful of fantasy writers whose work consistently meets the highest literary standards.”—Rocky Mountain News Eight centuries ago the first Knight of the Word was commissioned to combat the demonic evil of the Void. Now that daunting legacy has passed to John Ross—along with powerful magic and the knowledge that his actions are all that stand between a living hell and humanity's future. Then, after decades of service to the Word, an unspeakable act of violence shatters John Ross's weary faith. Haunted by guilt, he turns his back on his dread gift, settling down to build a normal life, untroubled by demons and nightmares. But a fallen Knight makes a tempting prize for the Void, which could bend the Knight's magic to its own evil ends. And once the demons on Ross's trail track him to Seattle, neither he nor anyone close to him will be safe. His only hope is Nest Freemark, a college student who wields an extraordinary magic all her own. Five years earlier, Ross had aided Nest when the future of humanity rested upon her choice between Word and Void. Now Nest must return the favor. She must restore Ross's faith, or his life—and hers—will be forfeit . . . “[An] urban dark fantasy . . . Sharp and satisfying.”—Publishers Weekly (starred review)

“That is Brooks' way of casting spells—transporting his readers into plausible realms where sorcery is alive, whether those places are in other ages or right in the middle of our own. As a

result, he's reaped more than a few magical moments . . .”—Seattle Times As a Knight of the Word, John Ross has struggled against the dark forces of the Void and his minions for twenty-five years. The grim future he dreams each night—a world reduced to blood and ashes—will come true, unless he can stop them now, in the present. The birth of a gypsy morph, a rare and dangerous creature that could be an invaluable weapon in his fight against the Void, brings John Ross and Nest Freemark together again. Twice before, with the fate of the world hanging in the balance, the lives of Ross and Nest have intersected. Together, they have prevailed. But now they will face an ancient evil beyond anything they have ever encountered, a demon of ruthless intelligence and feral cunning. As a firestorm of evil erupts, threatening to consume lives and shatter dreams, they have but a single chance to solve the mystery of the Gypsy morph—and their own profound connection. “Superior to most of the fantasy fiction being published today.”—Rocky Mountain News

Fantasy-roman.

“Find the Elves and return them to the world of Men!” the shade of the Druid Allanon had ordered Wren. It was clearly an impossible task. The Elves had been gone from the Westland for more than a hundred years. There was not even a trace of their former city of Arborlon left to mark their passing. No one in the Esterland knew of them -- except, finally, the Addershag. The blind old woman had given instructions to find a place on the coast of the Blue Divide, build a fire, and keep it burning for three days. “One will come for you.” Tiger Ty, the Wing Rider, had come on his giant Roc to carry Wren and her friend Garth to the only clear landing site on the island of Morrowindl, where, he said, the Elves might still exist, somewhere in the demon-haunted jungle. Now she stood within that jungle, remembering the warning of the Addershag: “Beward, Elf-girl. I see danger ahead for you . . . and evil beyond imagining.” It had proved all too true. Wren stood with her single weapon of magic, listening as demons evil beyond all imagining gathered for attack. How long could she resist? And if, by some miracle, she reached the Elves and could convince them to return, how could they possibly retrace her perilous path to reach the one safe place on the coast? BONUS: This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*.

An epilogue to *The Wishsong of Shannara* The time of the Shannara follows in the wake of an apocalypse that has destroyed the old world and very nearly annihilated its people as well. A thousand years of savagery and barbarism have concluded at the start the series with the emergence of a new civilization in which magic has replaced science as the dominant source of power. A Druid Council comprised of the most talented of the new races—Men, Dwarves, Trolls, Gnomes, and Elves, names taken from the old legends—has begun the arduous task of rebuilding the world and putting an end to the racial warfare that has consumed the survivors of the so-called Great Wars since their conclusion. But the wars continue, albeit in a different form. Magic, like science, is often mercurial, can be used for good or evil, and can have a positive or negative effect on those who come in contact with it. In *The Sword of Shannara*, a Druid subverted by his craving for magic's power manipulated Trolls and Gnomes in his effort to gain mastery over the other races. He failed because of Shea Ohmsford, the last of an Elven family with the Shannara surname. Shea, with the help of his brother and a small band of companions, was able to wield the fabled Sword of Shannara to destroy the Dark Lord. Subsequently, in *The Elfstones of the Shannara*, his grandson Wil was faced with another sort of challenge, one that required the use of a magic contained in a set of Elfstones. But use of the Stones altered Wil's genetic makeup, so that his own children were born with magic in their blood. As a result, in the third book of the series, the *Wishsong of Shannara*, Brin and her brother Jair were recruited by the Druid Allanon to seek out and destroy the Ildatch, the book of

Read Online The Elves Of Cintra Genesis Shannara 2 Terry Brooks

dark magic that had subverted the Warlock Lord, and was now doing the same with the Mord wraiths. The story that follows takes place several years after the conclusion of The Wishsong and again features Jair Ohmsford, who must come to terms with his obsession with the past and his use of his magic that his sister has warned him not to trust BONUS: This edition contains an excerpt from Terry Brooks's The Measure of the Magic.
