Tap into the powerful techniques of professional actors andgreat communicators The Pin Drop Principle is a step-by-step master class foranyone wishing to become a more confident and crediblecommunicator. Lewis and Mills believe all business professionalsought to deliver their message in such an engaging way that onecould literally hear a pin drop when they speak. The secret todoing so comes from an unusual world: professional acting. Byactivating "objective" and "intention"—the main tools ofactors (and great communicators)—business people can givetheir messages meaning and relevance, so the recipients walk awayknowing why the message is important and what is in it forthem. Empowers business professionals with performance-based deliverytechniques—from storytelling to vocaldynamics—essential to becoming a great communicator Written for anyone wishing to engage listeners, establishinstant credibility, influence key decision makers, and create apositive lasting impression Based on the Pinnacle Method, one of the most popular andgroundbreaking communication skills training methods The Pin Drop Principle is an accessible resource foranyone who routinely needs to present ideas to large or smallgroups, convey feedback effectively, conduct difficultconversations, and persuade others.

Critical communication lessons for sustained corporate success The Bullseye Principle is the definitive how-to guide for communicating, collaborating, and executing as a leader in the corporate arena. With these " soft skills " trending above technical knowledge in executive wish lists, this book provides invaluable guidance for new and experienced leaders alike: from the planning stages to the outcome and beyond, the discussion features critical insight and actionable tips based on award-winning methods. Polish your presence, utilize intention, influence emotion, engage workers, build relationships, make connections, and leverage the power of storytelling—it all comes down to technique. This book shows you everything you need to know to start communicating more effectively, starting today. The success of any communication rests more on how the information is conveyed than what that information actually is; at every level, in every sphere, effective leaders strive to master key skills that inspire, empower, motivate, and more. This book gives you a solid blueprint for effective communication in nearly any situation, merging the practical and theoretical to help you: Master the most challenging business interactions Become more influential as a leader and communicator Adopt a 3-step methodology to collaborate more effectively Build your personal brand and executive presence toward sustained success Most people believe that their communications skills are satisfactory for their jobs—most managers would disagree. That gap in perception presents a problem that ripples beyond your chances of promotion—where your communication fails, it has the capacity to affect the organization as a whole. The Bullseye Principle helps you build a robust repertoire of communication skills that put you ahead of the pack.

Harness the power of games to create extraordinary customer engagement with Game-Based Marketing. Gamification is revolutionizing the web and mobile apps. Innovative startups like Foursquare and Swoopo, growth companies like Gilt and Groupon and established brands like United Airlines and Nike all agree: the most powerful way to create and engage a vibrant community is with game mechanics. By leveraging points, levels, badges, challenges, rewards and leaderboards – these innovators are dramatically lowering their customer acquisition costs, increasing engagement and building sustainable, viral communities. Game-Based Marketing unlocks the design secrets of mega-successful games like Zynga ' s Farmville, World of Warcraft, Bejeweled and Project Runway to give you the power to create winning game-like experiences on your site/apps. Avoid obvious pitfalls and learn from the masters with key insights, such as: Why good leaderboards shouldn ' t feature the Top 10 players. Most games are played as an excuse to socialize, not to achieve. Status is worth 10x more than cash to most consumers. Badges are not enough: but they are important. You don ' t need to offer real-world prizes to run a blockbuster sweepstakes. And learn even more: How to architect a point system that works Designing the funware loop: the basics of points, badges, levels, leaderboards and challenges Maximizing the value and impact of badges Future-proofing your design Challenging users without distraction Based on the groundbreaking work of game expert and successful entrepreneur Gabe Zichermann, Game-Based Marketing brings together the game mechanics expertise of a decade ' s worth of research. Driven equally by big companies, startups, 40-year-old men and tween girls, the world is becoming increasingly more fun. Are you ready to play?

The only language you need to know to change your results. Inside each of us is a vision of how things could be. Yet most people remain frustrated by a lack of impact, unable to connect and inspire the people they care about the most. Why? There ' s a language we understand, but rarely use. A language that ' s sincere. Powerful. Compelling. A language of words—and actions—that can ' t be denied. Leadership Language will help you to peel back the ineffective " business speak ", so you can change the conversation. And change your results. Imagine what could happen when you replace frustration with an irresistible vision—for yourself, your team and your organization. Today ' s leaders face so many challenges—employee retention, operational efficiency, culture, collaboration, leading across generations, and more—but communication is at the heart of every one of those issues. A clear message with a powerful delivery gets you halfway home. Honing in on your next conversation can drive more impact, better relationships, and greater overall effectiveness. For yourself. Your career. Your company. They say there ' s nothing that can stop an idea whose time has come. So, take the lead. It ' s time for you to create what ' s missing. And Leadership Language will show you how. Get clear on your vision, get aligned with your story, and get others engaged with your message Connect with the people that matter most, in a way that invites innovation and new outcomes Find the courage to move forward, conquer change, and create powerful impact—while you help others do the same From student leaders to the C-suite, there is only one way for a leader to make an impact: communication. Leadership Language is your personal guide to mastering critical skills and unveiling your authentic potential.

Do you know what "quatrefoil" and "impolitic" mean? What about "halcyon" or "narcolepsy"? This book is a handy, easy-to-read reference guide to the proper parlance for any situation. In this book you will find: Words You Absolutely Should Know (covert, exonerate, perimeter); Words You Should Know But Probably Don't (dour, incendiary, scintilla); Words Most People Don't Know (schlimazel, thaumaturgy, epergne); Words You Should Know to Sound Overeducated (ad infinitum, nugatory, garrulity); Words You Probably Shouldn't Know (priapic, damnatory, labia majora); and more. Whether writing an essay, studying for a test, or trying to impress friends, family, and fellow cocktail party guests with their prolixity, you will achieve magniloquence, ebullience, and flights of rhetorical brilliance.
