Crown The crown of England changed hands five times over the course of the fifteenth century, as two branches of the Plantagenet dynasty fought to the death for the right to rule. In this riveting follow-up to *The Plantagenets*, celebrated historian Dan Jones describes how the longest-reigning British royal family tore itself apart until it was finally replaced by the Tudors. Some of the greatest heroes and villains of history were thrown together in these turbulent times, from Joan of Arc to Henry V, whose victory at Agincourt marked the high point of the medieval monarchy, and Richard III, who murdered his own nephews in a desperate bid to secure his stolen crown. This was a period when headstrong queens and consorts seized power and bent men to their will. With vivid descriptions of the battles of Towton and Bosworth,

File Type PDF Wars Of The Roses A History From Beginning To End

where the last Plantagenet king was slain, this dramatic narrative history revels in bedlam and intrigue. It also offers a long-overdue corrective to Tudor propaganda, dismantling their self-serving account of what they called the Wars of the Roses.

The civil wars of the first half of the fifteenth century still stand in the popular imagination as the period of greatest anarchy in English history. While historians have long taken a more measured view, controversy still surrounds their interpretation. In this revised edition of his reevaluation of the Wars of the Roses, A. J. Pollard has incorporated into the text the product of new research and consideration of the debates which have emerged since the book was first published in

1988. These include the new stress on 'constitutional' history, intensified dispute about the origins of the wars, and recent reinterpretations of the careers of some of the principal personalities. In a topic which has become more contested in the last decade of the twentieth century, this introduction offers a succinct narrative, a review of the historiography and an overview of the problems of interpretation of the character, causes, impact and consequences of the wars which periodically disrupted England between 1459 and 1487.

This book presents a truly coherent account of the Wars of the Roses.

eyes of the key players. Discover the personalities behind the fight for the throne.

First published in 1990. Routledge is an imprint of Taylor & Francis, an informa company.

First published in 1990. Routledge is an imprint of Taylor & Francis, an informa company.

A riveting account of the Wars of the Roses, focusing on the human side of the story. The war between the houses of Lancaster and York for the throne of England was characterized by treachery, deceit and, at St. Albans, Blore Hill and Towton, some of the bloodiest and most dramatic

File Type PDF Wars Of The Roses A History From Beginning To End

battles on England's soil. Between 1455 and 1487, the royal coffers were bankrupted and the conflict resulted in the downfall of the House of Lancaster and the House of York, and the emergence of the illustrious Tudor dynasty. Alison Weir's lucid and gripping account focuses on the human side of history, on the people and personalities involved in the conflict. At the centre of the book stands Henry VI, the pious king whose mental instability led to political chaos; Richard Plantagenet, Duke of York and Henry's rival; and most important of all, Margaret of Anjou, Henry's wife who took up arms in her husband's cause and battled for many years in a violent man's world.

The Wars of the Roses raged from 1455 to 1485 - the longest

File Type PDF Wars Of The Roses A History From Beginning To End

period of civil war in English history. They barely affected the daily routine of the civilian population, yet for the leaders of the opposing houses of York and Lancaster, the wars were devastating. First hand accounts reveal how the lives of their women and children were blighted during three decades of war, as many of their male relatives met with violent deaths. This book examines in detail the causes, course and results of each of the main wars and concludes with a fascinating insight into why the wars ended so abruptly.

It was no small act of heroism to which the boy made up his mind in those few moments. Those were lawless days, and human life was held very cheap. The band of fierce men who had believed they were carrying off a prince, would think

File Type PDF Wars Of The Roses A History From Beginning To End

nothing of running him through with their swords when they discovered how they had been tricked, and that by a mere child. Paul set his teeth hard and braced himself up for the task he had set himself. He knew his peril he realized it too; but he was a soldier's son, and had he not said he would live and die for the prince? Would he ever be worthy of the knighthood every lad looked forward to as the goal of his ambition, if he shrank now from the task he had set himself? Hardly had that resolution been taken before there sprang out from the thick underwood two or three fierce-looking men, armed to the teeth.

Presents the history of the Wars of the Roses from the common soldiers' perspective. Historians have researched

File Type PDF Wars Of The Roses A History From Beginning To End

the motives and fortunes of kings, nobles and gentlemen in the Wars of the Roses, that bewildering sequence of rebellions fought between 1455 and 1485.
