When life is hard, really hard, we often spend all our time pleading, begging, yelling, refusing, and questioning. While none of these things are necessarily unusual, they are missing the ultimate point. When life is hard, when things get ugly, when all hope seems to be lost... that is when we are able to display the superiority of the life lived in God. It is in those moments of despair, when we question what is happening, when we don't know what to do, when some trials never seem to end, that we can lean most heavily on God's promises and truths. Working his way through five questions we've all had run

Read PDF When Life Is Hard James Macdonald

through our heads, trusted pastor James MacDonald helps us understand what we should do now. We begin the journey by looking at different types of "trials", figuring out exactly what we're dealing with, and recognizing that God certainly knows. Second, the obvious question: "Why?" God sees us going through trials and we long for two things: for them to be over and to know why they happened in the first place. Next, we need to know what to do with these trials when they come (and they will most certainly come). Fourth, we have all wondered it, can trials be refused? Are God's purposes really being fulfilled in the midst of this trying time? And lastly, God reveals Himself to us through these trials. . . and sometimes, they just don't ever end. Why doesn't this trial go away? God told us to expect trials—don't be surprised when they come. Grow when they come. Find hope when they come.

Follow bestselling author, speaker, and pastor James MacDonald as he delivers the biblical hope of God's promises in the midst of life's storms. 2 Peter 1:3 refers to certain portions of God's Word as exceedingly great and precious promises. Great promises are ones that don't fall apart during difficult times; they reveal hope in the midst of the storm. Precious promises are ones that we find strong enough to hold us up and resilient enough to get us through. God's promises

Read PDF When Life Is Hard James Macdonald

become exceedingly great and precious to us when nothing else will do. By way of digging into the theology of God's Promises, Pastor James uncovers 5 major categories of promise in the Bible and the 5 areas about which God repeatedly makes promises. From what to do with fear and doubt to God's goodness, help, and victory—the Bible has much to say about God's presence in our difficulty. Last year, Pastor James released *When Life is Hard* to point you toward hope in the midst of trials. Now, *Always True* will point you to God's promises, which are always true.

Widely hailed as one of the finest humorist of the twentieth century, James Thurber looks back at his own life growing up in Columbus, Ohio, with the same humor and sharp wit that defined his famous sketches and writings. In *My Life and Hard times*, first published in 1933, he recounts the delightful chaos and frustrations of family, boyhood, youth odd dogs, recalcitrant machinery, and the foibles of human nature.

When was the last time you were really and truly gripped by God's greatness? Most Christians recall heartfelt resolutions around a fire at bible camp as children, and perhaps a revival meeting or two. But what causes the fervor of those experiences to translate into a

Read PDF When Life Is Hard James Macdonald

consistent life pattern? Pastor and author James MacDonald believes that the better we understand God, the better we understand ourselves, and the less likely we are to favor our own will over God's. He writes: 'God is not safe and He will not be squeezed into some neat, respectable Sunday discussion..No. To Know God at all is to watch Him explode any box we put Him in with His terror, majesty and indescribable wonder.' Expounding upon Isaiah's encounters with God, MacDonald prods snoozing saints to rediscover the wonder of God's attributes. He also shares candidly from his experiences in life and ministry where God proved Himself to be the Great I AM. This book will spur new and seasoned believers alike to detest mediocrity in their spiritual walks. Ideal for individual or small group study.

Many people see their lives playing out like a movie they cannot control. They have come to feel like spectators watching a story unfold, unable to stop the stampeding consequences. They feel the die is cast, and nothing they do can alter the outcome. James MacDonald believes that is a lie. In 10 Choices he says, while people are where they are in life because of the choices they've made, they don't have to stay there. This book is about getting beyond self-help and blame shifting and changing at the deepest and most profound level...the will. A person's will is what he uses to choose and act. This book

Read PDF When Life Is Hard James Macdonald

helps readers to discover the heights to which their wills, truly surrendered to God, can actually soar and the "10 choices" that can take them there. This impactful book will prompt readers to make 10 Choices that are sure to change their lives forever.

A Hard Journey brings to life Don West, poet, ordained Congregationalist minister, labour organizer, educator, leftist radical activist, and one of the most important literary and political figures in the southern Appalachians during the middle years of the twentieth century. Motivated by religious conviction and driven by a vision of an open, democratic, and non-racist society, West was also a passionate advocate for the region's traditional values. Rather than focus on his literary achievements alone, James J. Lorence's biography balances his literary work with political and educational activities, placing West's poetry in the context of his fight for social justice and racial equality. Uncovering the ethical and religious roots of West's militant antifascism, Lorence uses previously unexamined sources to explore his early involvement in organizing miners and other workers for the Socialist and Communist Parties during the 1930s. In detailing West's participation in the Communist Party and founding role in the Highlander Folk School and other training grounds for radically cooperative, democratic ways of living, Lorence also

Read PDF When Life Is Hard James Macdonald

describes West's lifelong commitment to defending mountain culture as an activist for exploited workers and the rural poor. In documenting West's lifetime commitment to creating a non-racist, egalitarian South, *A Hard Journey* furnishes the spotlight he deserves as a pioneering figure in twentieth-century Southern radicalism.

As lead guitarist of the Rolling Stones, Keith Richards created the riffs, the lyrics, and the songs that roused the world. A true and towering original, he has always walked his own path, spoken his mind, and done things his own way. Now at last Richards pauses to tell his story in the most anticipated autobiography in decades. And what a story! Listening obsessively to Chuck Berry and Muddy Waters records in a coldwater flat with Mick Jagger and Brian Jones, building a sound and a band out of music they loved. Finding fame and success as a bad-boy band, only to find themselves challenged by authorities everywhere. Dropping his guitar's sixth string to create a new sound that allowed him to create immortal riffs like those in "Honky Tonk Woman" and "Jumpin' Jack Flash." Falling in love with Anita Pallenberg, Brian Jones's girlfriend. Arrested and imprisoned for drug possession. Tax exile in France and recording *Exile on Main Street*. Ever-increasing fame, isolation, and addiction making life an ever faster frenzy. Through it all, Richards remained devoted to the music

Read PDF When Life Is Hard James Macdonald

of the band, until even that was challenged by Mick Jagger's attempt at a solo career, leading to a decade of conflicts and ultimately the biggest reunion tour in history. In a voice that is uniquely and unmistakably him--part growl, part laugh--Keith Richards brings us the truest rock-and-roll life of our times, unfettered and fearless and true. Richards' rich voice introduces the audiobook edition of LIFE and leads us into Johnny Depp's performance, while fellow artist Joe Hurley bridges the long road traveled before Richards closes with the final chapter of this incredible 23-hour production, which includes a bonus PDF of photos.

Amends the doubts and misconceptions held by many regarding the infallibility, reliability, and historicity of the Bible as the inspired Word of God.

"In his diaries, the American philosopher and psychologist William James, for whom the personal and the philosophical were never far apart, recounted how in his late twenties he was confronted with existential despair regarding the issue of free will: do humans have the capacity to act freely and meaningfully? James famously decided that his "first act of free will is to believe in free will," and declared that, "if you can change your mind, you can change your

Read PDF When Life Is Hard James Macdonald

life." This belief in the efficacy of ideas on our practical beliefs and actions would lead to James becoming one of the founders of the first truly distinctively American philosophy, Pragmatism. In this book philosopher John Kaag offers an account of the life, thought, and relevance of James's philosophy for today. He argues that his brand of pragmatism was first and foremost a philosophy geared towards saving a life; namely, James's own, but with important resources and lessons for saving ours as well. James believed that philosophy was meant to articulate, and help answer, a single existential question, one which lent itself to the title of one of his most famous essays: "Is life worth living?" Through examination of an array of existentially loaded topics covered in his works-truth, God, evil, suffering, death, and the meaning of life-James concluded that it is up to us to make life worth living. He said that our beliefs, the truths that guide our lives, matter-their value and veracity turn on the way they play out practically for ourselves and our communities. For James, philosophy was about making life meaningful, and for some of us, liveable. This is the core of his "pragmatic maxim," that truth should be judged on the bases of its practical consequences. Kaag shows how James put this maxim into use in his philosophy and his life and how we can do so in our own. In his perhaps most famous and enduring work, *The Varieties of Religious Experience*, James devoted two chapters to exploring what

Read PDF When Life Is Hard James Macdonald

he saw as two distinct types of personality, "the sick-souled" and "the healthy-minded." James himself, as Kaag shows, tended more toward the sick-souled side of the spectrum. But both types fascinated James and he thought both provided important sources for understanding not just religious experience, but for how we can think about our own orientation to the world and perhaps reorient ourselves in the process"--

This When Life Is Hard Member Book helps participants to experience Biblical truths that provide encouragement, hope, and answers to those enduring difficult times. It's focus is to enlighten members with very real, very practical answers, straight from God's word. Based on James MacDonald's book, When Life Is Hard, this study shows how MacDonald's teachings came out of his personal struggles during a season of trials. When Life Is Hard Member Book includes: 6 sessions Facilitator's notes "Digging Deeper" resources for each session Sessions: What Are Trials? Why Trials? What to Do with Trials What If I Refuse This Trial? Why Some Trials Never End Come Forth as Gold
